You know you're a senior when . . .

you roll into school after homeroom
 you pass your junior year
 you meet Betty Job and Tom Roach
 you do Senior pranks
 you know you have better things to do than come to school
 you get your Senior pictures taken
 you order your cap and gown

you take easy classes
 you don't take a book home all year
 you prepare for life after N.P.
 you get "Senioritis"
 you run the school
 graduation day comes
