

"Remember The Time"

Somehow, time has gone so fast
 We must find ways to make it last
 The times we share, the things we do
 Before it's too late, we must make our
 dreams come true.

Friends we've lost, friends we've found
 They're all a part of our lives —
 just look around.

As the days go on, we'll all part
 Left with memories and broken hearts
 So, take a moment now, to see things
 as they are

And always remember that you've come
 this far.
