## *Juniors deal with changes*

The junior year is full of changes and serious business from applying for college and taking PSAT's to getting ready to be a senior. One junior, Jason Schubert, said, "I can't wait to take my SAT's, I'm so excited." A couple of juniors replied on being a senior, Paul Lindley, "It's just another step in life." Kristie Bryan, "It feels wonderful." During the year that is full of business, they also have to find time for, planning and decorating for the Prom, a job, and time just for fun. Amie Gregory says, "It's (Prom) a lot of work!" Also Bridget Perkins stated, "A lot of work and time, but it's worth it." This year's juniors were involved in varsity, junior varsity sports, cheer-leading, and clubs.
