Cougars Go 'Psycho'

Homecoming 1990 at North Putnam was an exciting and magical week for everyone.

It started with Monday as college day, Tuesday as twin day, Wednesday as favorite athlete day, Thursday as mourning day, and Friday as blue and orange day.

The decorating started Sunday night with the cheerleaders decorating the cafeteria and the classes started decorating the halls. The Juniors won class decorations with the theme "Cougars go physco" with the look of Bates Motel.

Thursday night at 7pm was a bon fire, there were 3 legged races, tug of war, and powder puff football with all grades involved. We also heard from Coach King and the senior football players. There was a pep session Friday.

For the first time two queens were crowned, Angie McCloud and Ginger Martin.

The Cougars beat Cascade 47 to 6.

Ginger Martin and Angie McCloud share the title of Homecoming Queen.
