Freshmen have a lot to think about for the years to come. They think about how they are going to spend the rest of their lives. Being a Freshman is like being the low man on the totum pole. After "ruling" the junior high, now freshmen had to look up to seniors. In high school, one will have pleasure and pain, joy and sadness, friends and enemies, and love and hate. But, these can be expected. When you look back, they will be part of something you will always remember — your Freshman year!
