The North Putnam Business Professionals of America were involved in fundraising projects to promote the school. Some of the things the club had on sale were key chains, Cougar paws, and Cougar pins.

The club was also involved in a District Contest where many of the students learned how to be professional, how to get along with a group of people, and how to manage time. For fun, the club went to King's Island, where they were able to relax.

Miss Peacock acted as club sponsor. The officers were:
 President Amy Hale
 Vice-Pres. Stephanie Barker
 Secretary Jennifer Gaff
 Historian/Reporter Kim Long
 Treasurer Damien Beard
