

Eric Pipes and his friend clown around.

Michelle Willhite and Shonda Tesmer display close friendship.

Students Cherish Life at School

Student life at North Putnam was something all of the students here cherished. We will always remember walking the halls every morning from 8:00 to 8:15, sharing laughs with friends at lunch, going to ball games, and being in after-school activities. These things formed our student life.

Study hall is a place where these friends relax.

(above, left) Travis Bonifacious seems to be performing a magic trick for his friends. (left) These students get together at lunch for serious talks. (above) Lisa E., Jody C., Stephanie C., Sam F., Tomeeka M., and Blythe K. all want to capture this moment on film.
