Team captains: Andy Doll, Jesse Fulwider, Sean Godwin

The North Putnam soccer team ended its season with a record of three wins, eleven losses and two ties. Tri-captain Andy Doll led the team in both goals and assists, having six of each.

The Cougars moved from spring to fall competition in 1990. Coach Doll found that the move was to the team's advantage because players could compete against high school teams only, and participate in tourneys and jamborees.

Excitement was a definite emotion felt at soccer games. Coach Doll's most memorable moment included the Hoosier Cup Soccer Tourney in Bloomington, where the team played Castle, a 5A school, and Noblesville, ranked first in the state in 1989.

Jason Reed keeps opponent from stealing the ball.

Jeremy Windmiller goes for the ball while playing Benton Central.
