The 1990-91 wrestling team had many outstanding accomplishments under the 1st-year coaching of Mark Anderson. The team won more matches with only eight wrestlers than the prior year. For the first time in five years, North Putnam had three wrestlers who became county champs: Benny Ault, David Chambers and Dale Lucas. Also, for the first time in five years, North Putnam had two sectional champs, Benny Ault and David Chambers. Both participated in the regional and David Chambers advanced to the semi-state in New Castle. Benny Ault, who wrestled in the 130 weight class, said, "I feel good about how the team handled themselves this year. We had a lot of inexperienced wrestlers, a first year coach, and wrestlers who cared about winning and about each other."
