

For a Good Time . . .

As the years go by, our most memorable fun and exciting moments came from our high school years. One thing was certain — **For a good time, call 522-NPHS.** No, this wasn't something written on the wall of the boys' restroom. It was your connection to the place where you met the friends who would be there for you when it was tough, the place where you made the most you could out of

sports and academics, the place where you came to dances and club parties, and where you received your honors. That is why we, the yearbook staff, decided to honor the outstanding achievements of this year in the next eight pages. We hope you make the most of your remaining years.
