

It was a very special year for the team with nine seniors on the squad. You could get that feeling by the way they acted at a lock-in here at the school before the year started. It was where the season began for them and that is where they picked up their concept for the season and it was "TEAM."

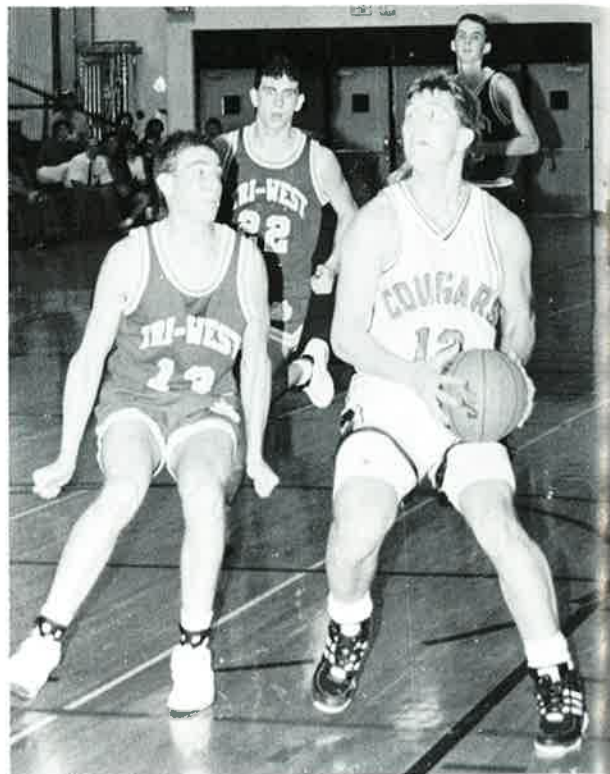

Finishing with a record of 13-8 and 6-3 in the conference which was good enough for a 3rd place. Both records were the best we have done in 10 years. Even though this year's expectations fell

short, Coach Jim Brothers characterized this a "very successful season."

Once again leading the team was Daniel Johnson (MVP); he leaves us as the school's leading scorer, rebounder, in FT percentage, FG percentage, and in steals. Also, contributing heavily to this year's success was Roger Busch (coaches' award), Jerry Robertson (mental attitude), Kevin Mendenhall, Eric Pipes, Jeremy Bulter, and Justin Barker.
