Hands of Friendship (Unite Spirits)

Arriving at the school Saturday afternoon, January 10th, was not for another typical FCA meeting. The group had gathered to travel to Indianapolis. Upon arriving, the group went ice skating at the Indiana State Fairground's Coliseum. After enjoying the fun and excitement, the group took a dinner break. Burger

King seemed to be the popular choice.

Next, everyone flocked back to the Fairgrounds to cheer on the Indianapolis Ice. Unfortunately the Ice were defeated. However, the day turned out to be enjoyable for the entire group.
