

Business Combines with Pleasure

This year in Business Professionals of America the club had eight members go to the District Leadership Conference at Northview High School. Seven out of the eight advanced to state contest held at the Westin Hotel in Indianapolis, where they spent the whole weekend. The seven members who went to state were: Jacki Oliver, Angie Witt, Suzanne Griffith, Jennifer Long, Amy Hale, Melnaie Settles, and Kristi Whicker. The members also had some fun times, like at dances both nights and also at the campaign rally.

Not only did these seven members get a chance for an excellent learning experience, but they also had a great time meeting students from all over the state of Indiana and making memories that will never be forgotten.
