

Home Ec

The Home Ec Department includes: Beginning and Advanced foods, Child Development, Consumer Ed, Interpersonal Relations and Independent Living. Mrs. McGaughey's courses help students become aware of their abilities, communicate effectively, develop a positive self-concept, and become wise consumers in a family unit.

"I hope to help students become responsible adults, and prepare them for their lives," said Mrs. McGaughey

by Amy Boller

Kristi and Bob have fun doing dishes!!

Jacque McGaughey

Ag.

Mr. Maier's Agriculture Class learns important things about nature, livestock, and human responsibilities toward them. They have fun learning about the environment, and Mr. Maier enjoys teaching them something that is so important.

Mr. Maier takes time-out from teaching for a quick snap shot!

Andy Maier

P.E.

Mr. Roach's and Mr. Myers's physical education classes spend every day learning new activities to keep their bodies in shape. From basketball to swimming, every day is a new challenge for their students.

"I hope the students take care of their health when they are out of school."

by Amy Boller

P.E. students Tina Coleman and Jayme Nelson enjoy their bikes.
