

Homecoming 1991

It was a cool brisk night with a slight drizzle of rain. Our North Putnam Cougars faced conference rival Danville Warriors. The Cougar football team conjured in their locker room reflecting on the exciting week behind them, that had encouraged them to pull together as they had before and bring home a victory.

This year it seemed as if everyone became a part of Homecoming in some small or big way by participating in different scheduled events, one of which was the bonfire. The bonfire was a time of music, cheers, class competitions, and just plain fun. It was enjoyed by everyone. Spirit days were also a big part of this week, Monday was Pajama Day, Thursday everyone dressed up as hippies, and Orange and Blue Day was Friday.

The classes also competed in hall decorations as the Juniors took first with "Scalp the Warriors" and the 8th grade captured second with "Tee-pee the Warriors." The other classes had themes of "Smoke'em — 1969 — Woodstock" by the Seniors, New Cougar City was the Sophomores theme, the Freshman, decided on "Burn the Warriors," and the 7th grade's decorations went with their theme "Can't hide our Cougar Pride." The week ended with an hour pep season.

Kara Schraub was announced homecoming queen while Kristi McKinney, Jr. Princess, Jennifer Thornburg, Sophomore Princess, and Misty Myers, Freshman Princess sat as her court. Joy Albin and Jody Judy were the other senior queen candidates.
