

## Student Council, SCAB try new things

President Lora Rossok provided leadership to the student council by trying to do some new things to make the school year more memorable for the student body.

One such event was the Winter Homecoming in February. Members planned a king contest and a dance for the Greencastle basketball game.

The Student Council Advisory Board (SCAB) met on a regular basis with Mr. Durham to relate student concerns. Both Shirley Steward and Elaine Chase sponsored the group's activities.
