hi Taylor,

Art Club, Thespians hold special events

by Donnie Spencer

Both the Art Club and the Thespian Troup were sponsored by Linda Gjesvold. The Thespians put on the fall play, "The Night of January 16th" and the spring musical, "Bye Bye Birdie." Thespian members worked hard during practices and both productions were performed well.

The Art Club went and saw the William S. Paley collection at the Indianapolis Museum of Art. The students enjoyed this collection very much. They also decorated the cafeteria for Christmas. The annual North Putnam Art Show was on display during the spring musical.
