

Four Compete at State

by Sarah Kennedy

Twenty students were in Business Professionals of America. This group met on the first Thursday of every month to discuss new and old business over donuts and orange juice.

Many BPA members participated in a district contest. Four of these members went on to compete in the state competition. The four were: Megan Galford, Debbie Flint, Amanda Elliott, and Melanie Settles. At the state contest, these girls got to stay all weekend at the Westin Hotel, shop at Claypool Courts, go ice skating, and go out to eat.
