

NHS Project Aids Community

National Honor Society is an organization that recognizes students whose character shows leadership, service, and outstanding scholarship. Mr. John Copner has sponsored the National Honor Society for the last two years. Students qualify for National Honor Society if they have a 3.33 grade point average and are involved in community service, part-time job, volunteer work, or an accredited organization. The faculty chooses new members each spring.

The National Honor Society raised money, along with Mrs. Leonard, from the showing of the movie "Beethoven." The money which was collected went toward clothes and Christmas gifts for some of the less fortunate North Putnam students. "I've really enjoyed being involved with the members of the National Honor Society on the Christmas project," said National Honor Society sponsor John Copner.

In May, State Representative Susan Crosby spoke at the annual initiation ceremony. Six sophomores and one senior were present to participate in the candle lighting ceremony.
