

# “Rebuilding”

by Kristi McKinney

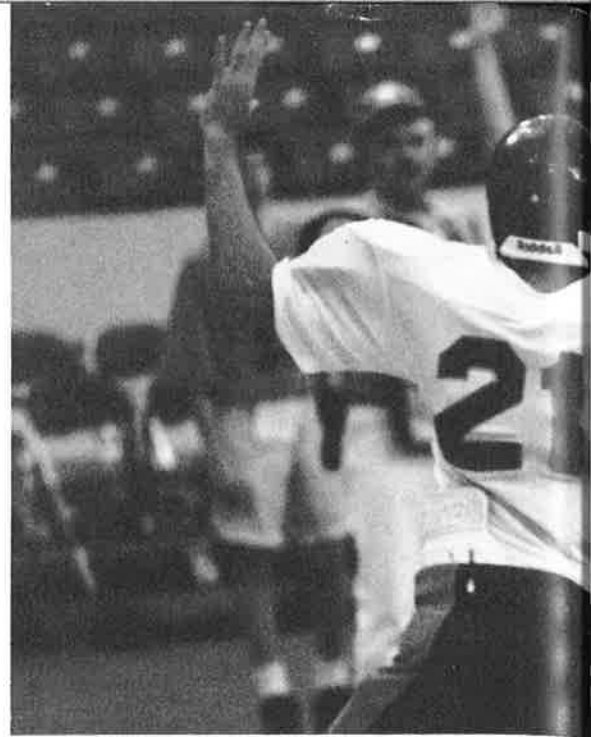

“We worked hard and improved all year long”, said head coach Herb King.

Our varsity Cougars finished 1-8 for the season defeating South Putnam in the Hoosier Dome. “It was a once-in-a-lifetime experience and we pulled through and one the ballgame,” said King.

The Cougars started practice on August 7, and with only a handful of returning seniors, the team worked hard to prepare

themselves for their season. “I feel that everyone gave effort at the beginning of the season,” said senior David Roberts.

The team did not do as well as they would have liked to. There could be many reasons for this. “The senior class and the rest of the team was not as prosperous as in the past,” said player Paul Schubert. Whatever the reason, the Cougars had fun throughout the season. Coach King described the season as rebuilding.

Seniors Bob Hatch and Ryan Gruenholz take a much needed rest at the Hoosier Dome sideline after beating South Putnam 21-2.
