

# COUGARBASKETBALL

The Cougars opened the 93-94 basketball season with pride, spirit, and confidence to show what talent the boys and our school had at this game. With leading scorers Paul Schubert, Justin Barker, Jeff Reed, and Jon Day, the team had a winning season.

Coach Jim Brothers taught the boys to have pride in their team and everything would be O.K. With the new uniforms and new players being added to the team, the team had a new image.

"Unbelievable" is a word used by some of the students after Jon Day shot a school record 48 points against Riverton Parke on Jan. 8.

Seniors on the team this year was Craig Robertson, Andy Sutton, Paul Schubert, Justin Barker, and Jeff Reed. All had great point averages. On January 21, Paul Schubert was elected homecoming king before the Cougars beat the Turkey Run Warriors. The overall season record was 11-9. ♦By Amee Van Scoyk:
