

# "Time"

"Somehow time has gone so fast,  
We must find a way to make it last.  
The times we share, the things we do,  
Before it's too late we must make our dreams come true.  
Friends we've lost, friends we've found,  
They're all so important - just look around.  
As days go on, we will all part,  
It's the kind of thing that breaks one's heart.  
So take a moment to think of everyone,  
And remember all the things you've done..."
