

A day in the life . . .

3

"Flowers Anyone?"

Kathy McGaughey and Vanessa Scobee use Activity Period to take orders for a student council Valentine's Day project.

1

Wednesday's began bright and early with FCA meetings. Here, members and guests gather to pray at the annual "Meet at the Pole Day" during Homecoming week.

2

Begin learning! David Schubert and Justin Barker team for a Chemistry I experiment as Mrs. Maier looks on.

4

Field trips were a welcomed break from the usual routines. Here, Melissa Lamb leads a discussion of the Student Leadership group. Standing next to her are Becky Collins and speaker Bill Cordes.
