#42 Bobby Butler rushes the ball, but is unsuccessful in reaching the goal line against Seccina.

There Is A First Time for Everything

The football team was still making history as they played hard, but still finished the season 5-5. Even though the team lost as many as they won, the crowd, along with Cougar Spirit, the new pep club, still cheered them on. Dedicated fans suffered through the rain, wind, and bitter cold just to stand by their team, whether they won or lost.

This was the first football team to play on our new field. The team won its first 2A playoff game and tied for third in the conference. Coach Herb King attributed the positive season to a "good nucleus of young men who worked hard in the off-season and dedicated themselves to playing to the best of their ability." ❧ By Crystal G.
