Christmas is a time for giving; not just receiving. At North Putnam this year that phrase was never more true. The Student Council, National Honor Society, and FFA sponsored a Food and Toy Drive so that others might have a better holiday. There was about two-hundred dollars in cash donated from teachers and used to purchase food certificates from Krogers. There was also a class competition to see which class could donate the most food. The sophmores won, and were treated to a pool and pizza party for their efforts. All together there was enough food and toys for 7 needy families.

When asked about how she felt about the Food and Toy Drive this year Mrs. Chase replied, "I'm disappointed that more people weren't generous." Mrs. Maier and Mrs. Steward were also involved in helping out.
