

Sea of Serenity

By: Stephanie Stevens

The prom is always one of the highlights of the school year, and this year's prom was no exception. Guests were greeted by a tropical island filled with plants and palm trees, and hundreds of twinkling white lights. Couples danced the night away to music provided by a DJ that included everything from country line dancing to slower romantic music. A professional photographer was available to take pictures of couples against a beautiful background for lasting memories. Prom guests ate cookies and drank a lot of punch, enjoyed conversation with other couples, and suddenly it was midnight. The prom was over, but everyone had to hurry and get ready for the post-prom which lasted until the wee hours of the night.
