

## "Bringing It Home"

# RoEoSOPoEoCoTo

By C.J. Wintermute

If anything at all this year, the "8-2" varsity football team gained the respect of their peers, and the rest of the county. The senior stacked team DOMINATED their opponents at every angle. The varsity cougars brought respect to the home field with an undefeated home season. They brought home the county bucket against South Putnam and retained the bucket by winning the Putnam county championship title.

David Schubert "The Energizer Bunny or Mangus" just kept going and going and going this season taking the state rushing title with him for a short while. Schubert rewrote the school's as well as the county's record books with an all season record of 2,075 yards, and a one game record of 335 yards.

Another outstanding senior was Andy Nicholson, "The Semi Truck on a opossum hunt," who had 65 solo tackles and 40 assists, 3 blocked passes and 1 blocked kick.

The varsity Cougars broke the Greencastle Tiger Cubs 13 year winning streak against us with stunning back to back wins at Greencastle and at home. The victory at home was a first round sectional win which made it all the more sweeter.

"My most memorable moment was when I was credited with seventeen yards on a fumble recovery at Cloverdale".

*Bob Young*

Coach Herb King goes over a play as Nick Miller makes a point and the rest of the team looks on.

"My best game was against Greencastle. We beat them 21 to nothing; it was a blowout. I caught a flanker reverse pass from Jon Day to score a touchdown."

*Chris Coffman*
