

Almost *There* - Close run for Regional

By: Tina Duncan

The North Putnam Cougars dribbled toward their goal and nearly succeeded. The players practiced every night to improve their skills and build up their endurance

"We were a very exciting team to watch. We were a very competitive and explosive team." Those were the words of varsity basketball coach Jim Brothers as he talked about the basketball team and their 12-11 record which included a county championship and runner-up in the sectional.

Sophomore Jimbo Edwards said, "This is the best year I have ever played at North Putnam. I hope the years to come will be as good."

Jon Day had a great senior year being named the MVP, All Conference Player, and All County Player. Senior David Schubert won the Mental Attitude Award while Jimmy Lister walked away with the Coach's Award.

" My best game was Cascade and my worst game of the season was Turkey Run. This year was the most fun year I've played."

Jimbo Edwards has a strain on his face as he shoots a layup. He had a total of 116 points for the season.
