

Learning the Ropes

By: Dei Dei Stewart

The girls varsity team was a young one. This year's team consisted of mostly Sophomores and was considered a "Rebuilding Year." However, the good news is that three of the starting five will be returning next year.

"This has been our best season since I've been the coach even though we only won five games," said Phil Myers.

Kristen Godwin stated, "We've lost a lot of games, but we had a lot of fun doing it."

Natalie Berry quickly added, "The next two years are going to rock!"

One of the only two seniors on the team, Misty Myers, finished her basketball career at North Putnam by being named the Most Valuable Player.

Varsity Girls
