The road to success requires practice, preparation, and experience. And with guidance from coach Judy, The girls' JV team spent the year doing just that. At the end of the season, they had to say good-bye to their coach.

"Our team was very dedicated to learn more about basketball, and have a great time doing it," said Kristen Clahan.

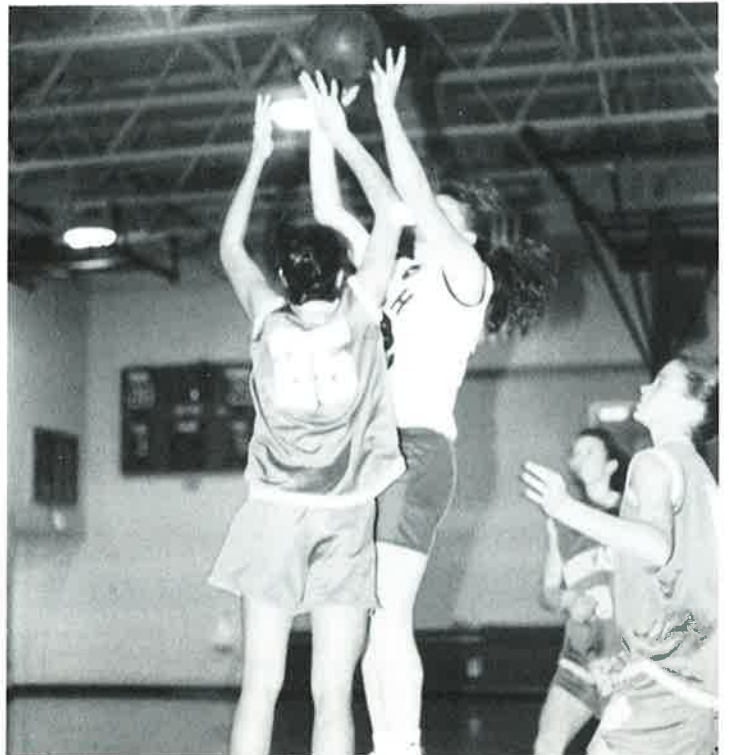

"The JV team's best game was against Greencastle, because we played as a team. Coach Judy helped us through that game with his support and advice, and we will miss him. Thanks coach," replied Dusty Schraub.

"The JV team had a great time learning to be better basketball players, and we will all miss coach Judy," commented Stephanie Hill.

"Our team was all good friends, and we're all real close. We'll always miss Coach Judy," replied Joni O'Hair.

Megan Hurst attempts to pass the ball to one of her teammates. She was a sophomore player for the JV team.

Dusty Schraub goes up strong as she shoots the ball over the outstretched arms of her defender. She made the shot during the Greencastle game which North Putnam won.
