

Go! Fight! Cougars!

By: Laura Blubaum

The life of a cheerleader is very busy during basketball season. Cheering at home games, long bus rides to away games and arriving back home at a late hour, pep sessions to plan for, decorating the player's lockers, and learning new routines.

North Putnam's basketball cheerleaders this year were dedicated and committed to keeping up school spirit and representing the school in a positive manner.

Thanks for all you do, and like the way you support the team, we support you!

"I'm really going to miss not only cheerleading, but this school as well."

Monica Folck

Freshmen Cheerleaders
