Long after the bonfire went out, the same burning question was on the minds of many. Who would be the next North Putnam Homecoming Queen? With Mr. Bays' familiar voice in the pressbox, the fireworks after each touchdown, the excitement of the crowd, it would all culminate with the crowning of the homecoming queen. Each candidate walked with their escort to the spot on the runway. Then, the crowd was silent. The 1994 North Putnam Homecoming Queen is....Misty Myers! Charity Boller placed the crown tiara on her head, and the sash on her shoulders.

"I was surprised because I had been princess my ninth and tenth grade years, so, I thought I would not get it," Misty said.
