It's your graduation day
A time of memories
A day that's filled with promises
Of good things yet to be.
There's a whole world out there for you,
A new world to be explored.
So spread your wings and learn to fly.
It's time for you to soar!
Show the courage of your dreams
But always listen to your heart,
For both will empower you
As on life's journey you embark.
I know you'll be successful
In whatever you pursue.
So congratulations graduate,
These wishes were meant for you.
Love Mom and Dad

Kyle,
The past eighteen years
have gone by so quickly. You
have become a kind, consider-
ate, handsome young man.
We are proud of you and wish
you the best in the future.
Love,
*Dad, Mom, Brent, and
Jennifer*
Kyle Heavin

To Dylan with love:
"The midnight road, though young
men tread unknowing, harbouring
some thought of Heavin, or haven
hoping, yields peace and plenty at the
end."
Dylan Thomas
"May you have a strong foundation
when the winds of change shift, may
your heart be always joyful, may your
song be always sung, may you stay
forever young"
Bob Dylan

Dylan Brown

Jackie,
Your hard work is paying
off. We wish you luck in
the future!
Love,
Dad, Angie, and Siblings

Jackie Stinson

Shan,
Remember when the goal was high
when you would shoot the ball
you went for the sky
when you grew much taller you found
it was much easier off the ground

Aim for higher goals
You can do it
We are proud of you
