TOUGH LUCK SEASON FOR VARSITY COUGARS

J.C. MALICOAT ENDS CAREER AS ACADEMIC ALL-STATERS

After going 8-2 last season, this year's team knew it was going to be a tough act to follow, especially with losing their whole front line to graduation.

"Our team improved throughout

the year. We were competitive in almost every game. This year the breaks just didn't go our way," said head coach Herb King.

"At the Danville game our offense played well, com-

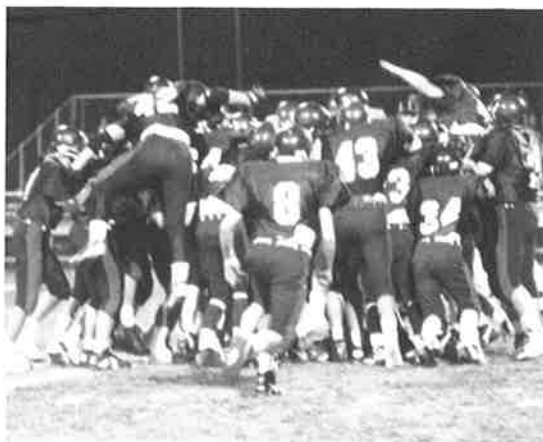

mented senior Dylan Brown who had 151 yds. rushing in that game.

"We played our best game against Tri-West," added sophomore Brent Heavin.

"This year the breaks just didn't go our way."
