JV AND FRESHMEN TEAMS DEVELOP SKILLS AND SET GOALS

JV and Freshmen football is a time for young football players to hone their skills in preparation for playing on the Varsity. Wins and losses aren't important, improvement and enjoying the game is what counts.

"Our JV team did pretty good this year. we only lost a couple of games and a lot of the JV team was freshmen," said Brandon Stanley.

"For an almost all freshmen JV team, I have to say we were one of the best. Next year, we will go undefeated as JV," commented Anthony Mullis.

After another year of learning the ropes, they will be a varsity to reckon with and a JV that will be fun to watch next season.
