## Season Serves up Challenges to Varsity

The season started out to be a slow one for the varsity team.

"We struggled through the first part of the season but pulled together and worked hard as a team the latter part of the season. Our best game by far was the last game of the sectionals. We really pulled together and worked like a team," said Junior Angel Burdine.

"Our season wasn't what we expected, fortunately, we still have next year," added Kelly Clampitt.

As the season progressed, the team did pull together to win the County Tourney and managed a tie at the WCC tourney by winning two games while losing two.

### Scores

US	TEAM	THEM
L	TRI-WEST	W
L	TURKEY RUN	W
