## TIME OF LEARNING FOR JV AND FRESHMAN TEAMS

Coach Weaver and Coach Vandersnick don't worry a lot about won-loss records. What they are concerned about is teaching the players the fundamentals

of volleyball and getting them ready for varsity action in the future.

"We had a tough season, but we had talent. It was a learning experience that

the girls will be able to take to their varsity careers," said Coach Weaver.

"It was a good experience for next year," added Emily Maxwell.
