## BOYS' VARSITY SEASON WAS A ROLLER COASTER RIDE

*Jimbo Edwards Scores Season High of 35 at Greencastle Sectional Against Turkey Run*

Although Coach Brothers and the Cougars would have preferred for their 9 wins and 13 losses record to be the opposite, there were still many bright spots in their season.

Beating close rival Danville, avenging an earlier loss to favored Turkey Run in the Sectional, and battling Greencastle all the way before losing to them in the sectional, is proof

that this team was successful.

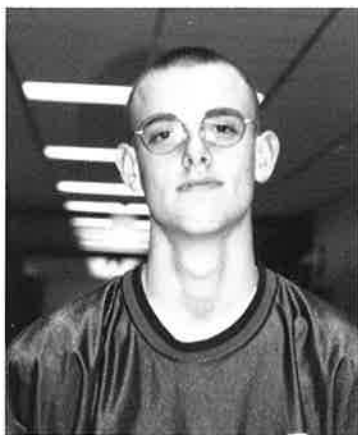

"We did well, and a lot better than some people thought we would. My personal best game was against Danville," said Tony Rikken.

"We started off really good. We played as a team and we didn't care who got the glory. I think my best game was Tri-West."

Jimbo Edwards

"I think our season went great. We had a young team because there were only three seniors. I think we were successful. My best game was Tri-West."
