Spending long hours in weight room and practice pays off for wrestling team

"I guess I did pretty well for my first year. I think I'll give it another try next year," said Tom Collins who in his first year earned a remarkable trip to the regionals along with team member Chad Oliver.

Teamwise, the Cougar wrestlers had a somewhat disappointing season ending up with a 3 and 10 record. However, the effort and commitment was always there.

"We had a pretty good season for the size we were," commented senior Heath Kerns.
