

GOLF

YOUNG TEAM LEARNS FINER POINTS OF GAME

*WIND, RAIN AND COLD PLAYS
HAVOC WITH SCHEDULE*

It was a frustrating season for the golfing Cougars considering the playing conditions, and their record. However, the team never gave up and learned a lot along the way.

“We had a struggle this year in scoring to win matches, but the team had a lot of fun, and learned a sport that will last them a lifetime,” commented coach Dave Weaver.

“It was fun. Joey Witty and I were the only two seniors, and we had a blast,” said Charley Riggle.

With experience and no rain, look out next year!

Fore! Michael Elliot sports his lucky golf hat as he follows through on his swing. He was a junior member of the team.

Future Golfing Great? Joe Witty is totally focused as he practices his chip shot. He was one of only two seniors on the team.
