

PHYSICAL ED., HOME ECONOMICS, & HEALTH

LAPS, LIFE,

As the new Home Economics teacher, one thing Mrs. Wilson wanted to do was have her Family Relations class put together a mock wedding. Although it took a lot of planning and preparation, there hadn't been a mock wedding at North Putnam for five years and everyone involved was excited. Dylan Brown was the groom, and Leia Brumback the bride. Mr. Coget was the minister who officiated at the ceremony.

P.E. students participated in many sports from indoor hockey to a ping pong tournament. The year was highlighted with the annual trip to the Greencastle bowling alley.

Am I Doing This Right? Brandon Elliot practices infant CPR techniques in health class.

Easy Does It Jennifer Boller practices the "art" of stuffing manicotti noodles. She was part of the Advanced Foods class.
