DESIGNING & DEVELOPING

Green Thumb Area: This sign directs visitors to the greenhouse at North Putnam. Every year Agriculture students grow a variety of plants which they sell to local gardeners.

Come On In! Students wave at the photographer through the door in Mr. Maier's Agriculture room.

This is How You Do It: Chad Oliver, Jeremy Clodfelter, yearbook staff member Lisa Gearld, and Rodney Osburn watch as Mr. Steward demonstrates.

Maybe A Little More Red? Sophomore Danelle Blackledge concentrates as she paints in Mrs. Gjesvold's Art class.
