

# s & Science

**Safety First:** Juniors Chris Coffman and Billy Malicoat wear goggles to protect their eyes while conducting a chemistry experiment.

**Are We On-Line Yet?** Students working on computers in Mrs. Hendrich's classes and the computer lab are a common sight during the day.

**Outdoor Class:** NP students listen to a talk about creeks in Indiana during a field trip. Mrs. Norman, Mr. Copper, and Mr. Maier arranged the outing for their students.
