ANGIE CLARK

We remember when you were born how
happy we were to look into your sweet
face to feel your tiny hand wrapped around
our finger to hold you in our arms. We were
filled with pride and delight by your first
words, and first steps. Even though you're
older now and graduating from high
school, nothing can ever change how much
you mean to us. We love you and we love
that you are, and always will be, our
precious daughter.

Love,
Dad, Mom, Jena, and Jill.
