

J.V. TEAM ENDS SEASON WITH 3 WINS.

Team Members Discover Hidden Talents

The J.V. football season looked pretty good according to the scores, but many think that it's all about learning, gaining experience at a higher level, and most of all having fun while preparing to play on varsity.

"I had a lot of fun and I'm looking forward to playing varsity," stated sophomore Josh Boller.

At the beginning of the season many players started out in one position but by mid-season they were learning to play something totally different. Freshman Paul Spacco said, "we discovered some of our hidden talents."

Overall, the J.V. season went well and next year's team has a lot to build on.
