

VOLLEYBALL

LADY COUGARS DEFEAT TRI-WEST, ATTICA, & NORTH VERMILLION TO CAPTURE THE EARLY BIRD TITLE

The Lady Cougars started the season on fire. They were 6-1 and were North Putnam's first Early Bird Champions. According to Natalie Berry, one of North's All-County, All-Conference players, "We started the season on top and went down hill from there."

Although the final record of 13-15 proved unsatisfying, the Cougars learned a more important lesson. Mental Attitude Award winner, Stephanie Hill, summed it up by saying, "I learned that it takes more than volleyball skills to make a team. It takes a positive attitude which includes a combination of leadership and cooperation."

VARSIITY:
