

Spirit

Seniors/Juniors were all they could be during Homecoming Week.

High spirits soared as the Homecoming game approached. The students and staff had fun participating in Military Day, Hick Day, Hat Day, and also Blue and Orange Day.

"It was fun, Camo Day was pretty cool," said Kathleen Robertson.

"Oh, Hick Day definately because I can dress up easily for that. It is easy for everybody to dress up," replied Mrs. Gottschalk. Students decorated their hallways Tuesday and Wednesday nights in a Military theme, to prepare for the judging on Friday morning.

Enthusiastic students showed their spirit at the outdoor pep session as they awaited the results of the spirit link competition, the hall decorating contest, and the most spirited class. The most spirited class was the Seniors, and the Juniors won the hall decorating contest with the M*A*S*H theme.

All in all, it was another great Spirit Week that was capped off with a Homecoming win.
