Kelly Parker Crowned 1996 Homecoming Queen

Friday night finally arrived. All week long the school had participated in several different activities which led to the big night. One of the activities included nominating and later voting for a class princess and one senior homecoming queen. The evening kicked off with a great first half of football action and then halftime finally came. The band and guard performed their show "Tribute", and then the royalty nominees lined up on the track. As each couple was introduced, the tension mounted. Then, the results were announced; Melanie Potesta as freshman princess, Amanda Dearwester as sophomore princess, and Kathleen Robertson as junior class princess. All that was left was the queen. Finally, Kelly Jane Parker was crowned 1996 Homecoming Queen by the 1995 Queen Amy Nelson.

Kathleen Robertson said, "I felt honored that my class chose me to represent them."

When asked about being crowned queen Kelly replied, "I didn't really think I would ever be crowned queen but I was excited about being chosen."

Kelly and her court enjoyed the game as they watched the Cougars defeat the Cadets 21-9.

Although the night is gone, the memories and excitement will never be forgotten.

.....
ON HER THRONE: Kelly Parker reigns as the 1996 Homecoming Queen. She was escorted by football captain Chris Coffman.
