**Will the Patient Live Doctor?**  
Fundamentals of Agriscience student Wes Thompson dissects a baby pig as others observe.

### PEEK -A-BOO!!!

Nicole Oliver is welding her project for her Fundamentals of Agriscience class. However, she wasn't too busy to take a little break to smile.

### Ready, Set, WELD!

Freshman Zach Miller puts on his gloves to begin welding. Safety precautions were always followed in the shop area.
