“Our record looks pretty bad, but some games were closer than they looked. I think my best game was West Vigo. The team’s best game I thought was our second game against Monrovia.”

- Adam Clodfelter

“Although our overall record was bad, I felt that the season was a good one, and everyone on the team contributed a lot. I’m looking forward to next year.”

- Tara McColgin

“Even though we had a bad record, I still think that we had a good season. I think our best game and turning point of the season was our second game against Monrovia.”

- Sam Houser

“It was the most frustrating season I’ve ever had, but hopefully next year we’ll be more experienced.”

- Chris Helton
